By law, all Connecticut municipalities must develop and adopt an affordable housing plan by June 1, 2022. This is the first in a series of informational meetings which will be held. This meeting is taking place in person but will be recorded and the recording will be made available for viewing through the Town's website. In addition, the Board of Selectman has appointed an Affordable Housing Plan Advisory Committee and all Committee meetings will be public meetings which the public is encouraged to attend and offer their comments to the Committee.
