Announcements

The next meeting will be held March 22, 2021 beginning at 7:00 pm.

Clean Up: In lieu of the Earth Day Celebration a town wide clean up will take place on Saturday, April 17th, 9:00 am until 11:00 am. Rain date Saturday, April 22nd, 9:00 am until 11:00 am. The schools, local organizations, businesses and residents will be asked to participate.

Trees:

Due to the loss of numerous trees in North Haven resulting from 2 tornados in the last few years, other major storms and some tree removal by the U.I. Company, it was decided the Conservation Commission would spearhead a program providing information to the public about the benefit of trees and encourage residents to plant trees. It further decided to allocate \$1,250.00 to plant elm trees on Elm Street and possibly Montowese School as the area is tree deficient. The Commission will discuss the project with the First Selectman and the Public Works Department. \$1,000.00 will be allocated to plant native flowering trees.

The meeting adjourned at 8:00 pm.

Respectfully submitted,

Sandy Stetson
Secretary
