Re: 158 Washington Avenue

Dear Alan:

The North Haven Fire Department has been asked to provide feedback for a site plan application (P20-08) regarding a property located at 158 Washington Ave. There are no concerns regarding the submitted site plan or zoning application for this property. The FD will need to review building plans to determine compliance with fire & life safety code requirements.

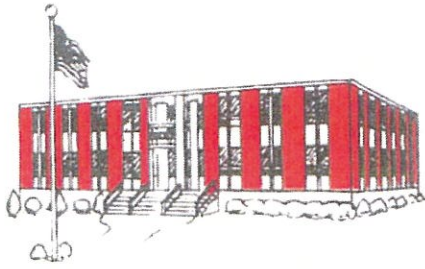

If you should have any further questions, please feel free to contact me.

Sincerely,

Reference: Planning and Zoning Commission conditional approval of Site Plan Application #20-08.

Dear Mr. Fredricksen,

It is my understanding that the above reference Site Plan Application (#20-08) was approved at a Special Meeting of the Planning and Zoning Commission on June 15, 2020 contingent on the approval of the North Haven Police Department's acceptance of the amended site plan.

As noted in the police department's correspondence to the Commission on February 26, 2020, there were some traffic related concerns with the initial site plan proposal, however, the amended plan as submitted and approved remedies these concerns, and the police department supports the Commission's approval of this site plan.

Very truly yours,

Thomas J. McLoughlin
Chief of Police
