Re: Borrelli Farm, Warner Road
Application #P19-25

Dear Mr. Fredricksen,

On December 2, 2019 the Planning and Zoning Commission voted unanimously to approve the above referenced application. Said approval is set to expire on March 26, 2020.

The first ninety (90) day extension was approved for this project on March 2, 2020.

Pursuant to section 13.2.1.6 of the North Haven Subdivision Regulations, the Commission may grant no more than two (2) ninety (90) day extensions to this approval.

We are requesting a second ninety (90) day extension of the approval for this project. Based on my calculations, the second extension of the approval will expire on or about September 22, 2020.

Please place this request on the agenda for the next Planning & Zoning Commission meeting which will be held on July 6, 2020.

If you have any questions or require additional information, please don't hesitate to contact our office.

Very truly yours,

Michael J. Bennett
