

Cedar Township Residents

Elections requiring an Absent Voter Ballot:

All residents can request an Absent Voter Ballot for any/all elections. Steps needed are:

- (1) Go online at State of Michigan.gov/elections, forms and print off an application to receive an AV Ballot.
- (2) Fill out and send to Cedar Township Clerk to process.

OR:

Call township Clerk to request an AV ballot and she will mail you an application to fill out and return.

Just be aware of mailing time and processing time needed before an election.

ALSO, for any residents interested, I have a PERMANENT AV list, that, with verbal or written permission, I will automatically send you applications for every election. No prior phone call is needed. If you want to vote in that election just fill out the application and mail back to the clerk to be processed. Otherwise just disregard. Until the clerk receives a written/verbal notice that you no longer want to be on the AV list, you will always be mailed an application for every election in Cedar Township.
