Contract for 165th Ave black top. Supervisor Kissinger will check into it and will get back with us.

150th Ave: Trustee Draper talked about using Public Act #188. Township has to establish the direst, need to get bonds to pay for the full job and could go up to 20 years to pay back. Need to talk with a lawyer first.

Need to get a head count for list of people and get a price and then get a lawyer.

First we need to send out letters to everyone that has property on 150th Ave so see what response from them and then make a list with everyone else that would be paying for the special assessment.

Get a list of all names and get address and send out a letter to question to see if they want. Patty will lookup the address and name so we can get them sent out.
