The Osceola County Parks Commission welcomes you to the beautiful recreational parks of Osceola County. Spend a day, a week, or the entire summer enjoying all that our parks have to offer.

Osceola County Parks Commission has two separate and unique parks. Each park is situated on a lake, is abundant with wildlife, and surrounded by natural woods. Our parks offer limitless opportunities for the sportsman and the recreational enthusiast.

We are making strides at becoming the best park system we can be. We offer clean, well maintained facilities and grounds; friendly, helpful staff; great swimming and fishing; and an exciting variety of other recreational activities that vary by park.

The Osceola County Parks **are not** supported by a yearly tax appropriation and must instead rely on camping and vehicle permits that **you**, the park user, pay to enter and enjoy use of our parks.

We hope you enjoy your visit at Osceola County Parks and that you'll return soon.
