Rancho Simi Recreation and Park District To Host Ribbon Cutting For New Eagle View Park Playground

Over the last year, the Rancho Simi Recreation and Park District has been repairing and rebuilding areas and facilities in the community of Oak Park which were impacted by the Woolsey Fire.

Among the areas damaged in the fire was the playground area at Eagle View Park. The Park District is happy to announce that the playground has been reconstructed and is now open daily from dawn until 10pm for the community to enjoy.

The Rancho Simi Recreation and Park District will host a ribbon cutting ceremony to celebrate the re-opening of the new playground at Eagle View Park on Thursday, October 3rd at 5:30pm.

For more information, please call 818-865-9304 or visit www.rsrpd.org.
