## **RANCHO SIMI RECREATION AND PARK DISTRICT TO BEGIN TELEVISIONING AND LIVE STREAMING BOARD OF DIRECTORS MEETINGS**

The Rancho Simi Recreation and Park District (RSRPD) will begin to televise and live stream its Board of Directors meetings for public viewing. The first meeting available for live viewing will be a Special Meeting of the Board on Wednesday, September 30, 2020 at 6:30 pm. Thereafter, the Board of Directors regularly meets on the first and third Thursdays of each month at 6:30pm.

Chair of the Board Ed Abele states, "The beginning of televised and streamed board meetings ushers in a new era of transparency for our District. The televised meetings will allow our residents easier access to our meetings and increase the ability of our constituents to participate in the decision-making process."

The streaming of the meetings can be accessed live or on a delayed basis via the District's website at [www.rsrpd.org](http://www.rsrpd.org). A recording of the meetings will also be available for viewing on Spectrum Channel 10 in Simi Valley the week following the meetings.
