Non-RSRPD sponsored sports classes and leagues may also be cancelled. If you are part of a non-RSRPD youth or adult sports league, please contact your leagues organization for more information regarding the status of your league and games.

Due to Public Health Officials identifying that outdoor exercise is an essential activity, Parks, Trails, Public Restrooms, Golf Courses, Tennis Courts, Pickleball Courts and other outdoor spaces will continue to remain open at this time. While using outdoor spaces, patrons are required to comply with social distancing requirements and practice proper COVID-19 hygiene.

In addition to routine cleaning operations, the District will also be incorporating the use of a medical / hospital broad spectrum disinfectant and antimicrobial agent to clean and sanitize equipment wherever possible and common surfaces such as doorknobs, drinking fountains, desk and counter tops, chairs, sinks, handrails, restrooms and additional public areas.

Rancho Simi's top priority continues to be the health and safety of all our students, participants, visitors and staff, and we take this responsibility very seriously.
