RANCHO SIMI RECREATION AND PARK DISTRICT BOARD APPROVES 2021/22 BUDGET

The Rancho Simi Recreation and Park District is pleased to announce that their Board of Directors has approved their 2021/22 fiscal year budget.

The Districts annual budget is developed by incorporating detailed fiscal forecasts from each department including both revenues and expenses. The Board then conducts an in-depth financial analysis of the proposed budget at multiple meetings including their annual Budget Workshop which occurs in May each year.

The Districts 2021/22 fiscal year runs July 1st through June 30th and estimates a total operating budget of \$38,174,154 from all revenue sources. This estimate does not include budget adjustments related to the fiscal impact of COVID-19. The 2021/22 budget was approved at the October 21, 2021 meeting of the Board of Directors and is available online for the public to view at www.rsrpd.org.

District Manager Dan Paranick stated, “Despite the challenges and fiscal impacts associated with the pandemic, the Board has successfully developed a balanced and responsible budget for fiscal year 2021/22.”
