## **RANCHO SIMI RECREATION AND PARK DISTRICT RELEASES FISCAL YEAR 2019/20 FINANCIAL RESULTS**

The Rancho Simi Recreation and Park District (RSRPD) released its audit results for Fiscal Year 2019/20 and continues to remain financially sound, with no audit findings and in good standing.

The *Management Discussion and Analysis* section of the annual financial report states, “the District has faced many adversities in recent years, from the calamitous Woolsey Fire in November 2018, to the disruption caused by the COVID virus in 2020, yet has continued to improve its financial position and liquidity, as was the case in FY 2019/20.” The District’s combined total net position increased by \$1,675,572: from \$129,583,105 in FY 2018/19 to \$131,258,677 in FY 2019/20.

Park District Board Chair, Brian Dennert stated “I am pleased that our team at the Park District, including our Board of Directors and staff, has received a very positive audit result. Through wise fiscal management, the District will continue to provide valuable services to the community.”

The annual financial report contains RSRPD’s audited financial statements, auditor’s management analysis, as well as other financial information, and is a vital resource for District stakeholders to analyze operations and use of taxpayer funds.
