**RANCHO SIMI RECREATION AND PARK DISTRICT  
OFFERS A VARIETY OF TRAILS FROM BEGINNER TO EXPERIENCED**

Whether you are a hiker, runner, walker, mountain biker, or just out for a leisurely stroll, the Rancho Simi Recreation and Park District offers residents a wide variety of beautiful trails to enjoy year-round.

There is a trail for all skill levels, including 19 trails in Simi Valley and 9 trails in Oak Park, each with varying degrees of difficulty. Hikers will discover the beauty of our natural environment including many varieties of native trees, vegetation, and wildlife that is indigenous to our region.

For example, Corriganville Park is very family friendly with a loop trail that showcases stunning rock formations, historical filming locations, and a grove of old oak trees. Mt. McCoy is a moderate to challenging hike with a switchback that winds to the top of a mountain and overlooks the entire valley and beyond.

Enjoy the beauty just outside your door today! For a complete listing of all Park District trails along with pictures and important safety tips, visit [www.rsrpd.org](http://www.rsrpd.org).
