The Rancho Simi Recreation and Park District is pleased to announce the Board of Directors awarded a tree trimming and pruning contract for various parks in Simi Valley to West Coast Arborists, Inc. of Anaheim at their November 18th Board meeting.

West Coast Arborists was the apparent lowest bidder out of five written bids received by the Park District. Select trees will be trimmed in dozens of park sites including Simi Hills Golf Course, Sinaloa Golf Course, and along the Arroyo Simi Greenway. Work is expected to begin in early January and is anticipated to be completed in early February.
