RANCHO SIMI RECREATION AND PARK DISTRICT ANNOUNCES WEED ABATEMENT COMPLETION

The Rancho Simi Recreation and Park District is pleased to announce the completion of their annual weed abatement and brush clearance project in parks and open space areas located throughout Simi Valley and Oak Park.

The annual project involves the removal of weeds, brush, and other potential fire hazards in compliance with Ventura County Fire Department regulations. The Park District performs weed abatement each year to mitigate fire damage and help prevent wildfires.

As fire season is upon us, it's important that we all work together to keep our communities safe. To learn more about fire safety and what to do in the event of a wildfire, please visit the Ventura County Fire Department's website at www.vcfd.org.

For more information about the Park District's weed abatement efforts, please contact the Rancho Simi Recreation and Park District at (805) 584-4400 or email info@rsrpd.us.
