## **RANCHO SIMI RECREATION AND PARK DISTRICT ANNOUNCES GYMNASIUM RE-OPENING**

The Rancho Simi Recreation and Park District (RSRPD) is excited to announce the re-opening of the gymnasium at the Rancho Santa Susana Community Center located at 5005-C Los Angeles Avenue in Simi Valley.

The gym was closed in May of 2022 after the floor sustained extensive water damage. The flooring was replaced by Pacific Floor Company in Chatsworth and the Park District Board of Directors approved the project Notice of Completion at their November 2<sup>nd</sup> board meeting.

The floor is ready for use and the gym can be enjoyed by the community once again. The re-opening will come just in time to kick off the new season of youth and adult basketball leagues, as well as open-gym in mid-November.

Board Chair Kate O'Brien commented, "We're excited to bring the community back to the Rancho Santa Susana Community Center for the many activities enjoyed in the gym. The new floor looks wonderful and we cannot wait to see basketball, volleyball, pickleball and more back at this facility."
