RANCHO SIMI RECREATION AND PARK DISTRICT ANNOUNCES FY 2020/21 AUDIT RESULTS

The Rancho Simi Recreation and Park District (RSRPD) is pleased to announce the results of their financial audit for fiscal year 2020/21 and continues to remain financially sound, in good standing, with no audit findings.

The Districts combined total net position increased by \$2,267,110, from \$131,258,677 in FY 2019/20 to \$133,525,787 in FY 2020/21.

Independent auditors perform an audit each year of the Districts financial statements in accordance with Government Auditing Standards. The auditors issue a statement communicating that the financials fairly state, in all material respects, the financial position of the Rancho Simi Recreation and Park District.

RSRPD Board Chair Kate O'Brien states, "I'm pleased that the Park District has again received a clean bill of health from our auditors. I'm proud of the Board and the staff for ensuring that the District continues to be transparent, responsible, and financially sound despite the challenges that we, like everyone else, have experienced over the last two plus years due to COVID."

RSRPD's annual audit report contains financial statements, management discussion and analysis, and other financial information and is a vital resource to stakeholders to analyze Park District operations and use of taxpayer funds. Those interested in reviewing the financial statements are invited to visit the District's website at www.rsrpd.org, click the "About Us" tab and select "Financial Statements".
