RANCHO SIMI RECREATION AND PARK DISTRICT OFFERS A HOT SELECTION OF SUMMER ACTIVITIES

Warmer days mean that the Rancho Simi Recreation and Park District's **Summer Activity Guides** will make their debut online on April 29 and will be mailed to residents on May 6.

The Summer Activity Guides provide information on summer classes, activities, programs, community events, childcare, camps, aquatics, volunteer opportunities, facility rentals, and more from May through August.

This season, the District is offering an exciting mix of recreational classes and enrichment programs for youth, teens, adults, and seniors, both in-person and on-line. There's also a variety of weekly themed half-day youth camps in sports, academics, STEM, cooking, and more!

The District welcomes people of all abilities and makes every effort to ensure inclusive opportunities in most program services including parks, facilities, programs, special events and classes and believes in the value of inclusive leisure and recreation experiences for all community members.

For more information, call (805) 584-4400, visit the District website at www.rsrpd.org or email info@rsrpd.us
