BRUSH FIRES: Long Canyon Road & Wood Ranch Pkwy

CAMARILLO – Fire investigators from the Ventura County Fire Department and Rancho Simi Park Rangers are actively investigating the causes of several recent brush fires that have occurred near the area of the Wood Ranch Trailhead, Long Canyon Trail and the intersection of Long Canyon Road and South Wood Ranch Parkway.

The Long Canyon Trail is in the southwest section of Simi Valley. It is a popular hiking and biking trail located off Wood Ranch Trailhead parking lot, which is just west of the intersection of Long Canyon Road, and S. Wood Ranch Parkway.

The investigative team would like to speak with anyone who may have information about any of the several wildfires reported over the past 6 months. The most recent fires occurred during the evening hours on October 18th and October 19th. If you have any information regarding the cause of the brush fires, please contact the tip line at:
