RANCHO SIMI RECREATION AND PARK DISTRICT ANNOUNCES YOUTH BASKETBALL LEAGUE

The Rancho Simi Recreation and Park District (RSRPD) will conduct a youth basketball league for boys and girls ages 8 to 14 in partnership with Gigabit Now, a new local internet service provider. Online registration opens September 1st and closes October 6th.

The league will run November through February for a fee of \$170 per player. All registered players must be evaluated to ensure team parity. Evaluations will be held in October, and all players evaluated will be placed on a team. Practices will be held one evening each week on Mondays, Tuesdays, or Wednesdays.

This semi-competitive basketball league is meant to encourage fun, fairness, and sportsmanship while introducing young athletes to the concept of competition. Boys and girls will compete in separate divisions.

The league is dependent upon volunteer coaches. Coaching applications are available on the Youth Basketball page of the Districts website at www.rsrpd.org. Head coaches will receive 50% off their child's registration upon approval, are guaranteed to coach their child, and can choose a practice time that is convenient for them. A coaching clinic is also available for those who seek additional guidance.

RSRPD hosts sports leagues for children ages 5 to 14 throughout the school year. For more information, please contact the Rancho Simi Recreation and Park District at (805) 584-4400, visit www.rsrpd.org or email info@rsrpd.us.
