RANCHO SIMI RECREATION AND PARK DISTRICT TO CELEBRATE RE-OPENING OF OAK CANYON COMMUNITY PARK POND

The Rancho Simi Recreation and Park District (RSRPD) invites the community to celebrate the re-opening of the Oak Canyon Community Park Pond located at 5600 Hollytree Drive in Oak Park on Thursday, June 22, 2023 at 4:00pm.

In 2018, the Oak Canyon Community Park Pond sustained extensive damage from the Woolsey Fire and was further impacted by subsequent mudslides from winter rains. RSRPD began restoration efforts in July of 2022 which will soon be complete including the restoration of the in-line pond, replacement of the dock and gazebo, repair of the cascading waterfall, establishment of wetland habitat, and improvements to the pathways and landscaping.

Rancho Simi Board Chair Josh Gray states, “This is a project that the District is very proud to have completed for the community of Oak Park and finalizes our Woolsey Fire restoration efforts.”

The ceremony is open to the public and will take place in the gazebo that overlooks the pond. Residents are encouraged to attend – no RSVP is required.

For more information, please contact the Rancho Simi Recreation and Park District at (818) 865-9304 or email info@rsrpd.us.
