RANCHO SIMI RECREATION AND PARK DISTRICT ENHANCES PROGRAMMING THROUGH PARTNERSHIPS

The Rancho Simi Recreation and Park District (RSRPD) is pleased to announce a new partnership with Gigabit Now, a new internet service provider coming to Simi Valley, which will enhance the District's youth sports leagues.

The District currently runs three youth sports leagues throughout the school year – a coed youth volleyball league for ages 7 to 14 in the fall, a youth basketball league for ages 8 to 14 in the winter, and a coed youth basketball league for ages 4 to 9 in the spring.

The new partnership with Gigabit Now will allow the District to offer free picture packages, improve uniform and award quality, and provide additional training for staff and coaches which will enhance the overall experience for young athletes.

Gigabit Now will also be present throughout each of the seasons offering supplies for coaches, volunteering during league events, and providing information about the new services they are bringing to Simi Valley.

For more information on RSRPD youth sports leagues, please contact the Rancho Simi Recreation and Park District at (805) 584-4400, visit www.rsrpd.org or email info@rsrpd.us.
