RANCHO SIMI RECREATION AND PARK DISTRICT ANNOUNCES CLOSURE OF RANCHO SIMI COMMUNITY PARK POOL COMPLEX TO REPLACE POOL DECK

From December 2023 through February 2024, the Rancho Simi Community Park Pool Complex will be closed for construction to replace the concrete pool deck and perimeter coping.

The Rancho Simi Recreation and Park District (RSRPD) consulted with Jones and Madhavan, an architectural firm specializing in aquatic projects, who recommended improvements including removal and replacement of the pool deck from the pool's edge (cantilever deck) to approximately ten feet around the entire perimeter. The remainder of the pool deck will be resurfaced with a new slip-resistant coating, and the diving boards, platforms, and lift for users with mobility challenges will also be replaced.

RSRPD Board Chair Josh Gray commented, "The Rancho Simi Pool is an important amenity as the City's only Community Pool. This project helps ensure it will continue to be a destination for community members to enjoy water-based classes and events, socialize, and beat the heat for years to come."

Funding for the pool deck replacement project is included in the District's approved Fiscal Year 2023/24 Preliminary Budget at an estimated cost of \$1,300,000. Closure notices have been sent to those who regularly use the pool complex.

For more information about the project, please contact Douglas Duran at Rancho Simi Recreation and Park District at (805) 584-4480 or douglas@rsrpd.us.
