RANCHO SIMI RECREATION AND PARK DISTRICT DEVLOPS COMMUNITY PARTNERSHIPS

The Rancho Simi Recreation and Park District is proud to commit to the enhancement of special events and programs through community partnerships. Through its work with local companies, the District is able to build on its existing programs, add new elements, and enhance the overall experience for attendees.

On Monday, October 31st, the Rancho Santa Susana Community Center will host its 61st Annual Youth Halloween Carnival, presented by Simi Valley FiberCity. FiberCity (Powered by SiFi Networks) will be on hand at the event to pass out candy and other giveaways to those in attendance. Their financial contribution has also allowed staff to add new elements to the event.

Simi Valley FiberCity will also serve as the title sponsor for the District's upcoming SnowFest event on November 6th at Rancho Madera Community Park. FiberCity, along with two internet service providers, will be on hand to distribute information on the city's newest fiber optic lines bringing high-speed internet the area. Their involvement in the event has helped maintain the central element of the day, 40 tons of snow!

For more information on community partnerships, please contact the Rancho Simi Recreation and Park District at (805) 584-4400 or via email at richardl@rsrpd.us.
