I certify I, personally and thoroughly, examined this vehicle, and completed the required LEIN or NCIC check prior to making this certification. I further certify I have examined the vehicle identification numbers as to their accuracy to ensure there are no stolen parts on the inspected vehicle. Additionally, the receipts for replacement major component parts have been verified, and the vehicle complies with the equipment standards of the Michigan Vehicle Code. This inspection in no way attests to the road-worthiness or safety condition of the vehicle. A certified mechanic has certified as required by MCL 257.217c(13)(d) that any repairs performed on this vehicle were performed in a workmanlike manner. I certify the inspection fee, authorized under MCL 257.217c, was collected by my law enforcement agency and credited to their budget. I certify and acknowledge that making a false statement on this inspection form is a felony under MCL 257.903 and any alteration, forgery, or false statement may result in removal from the Salvage Vehicle Inspector program and/or civil liability, fines, and/or criminal prosecution.
