Departments subject to this provision are: the Environmental Health Section of the Health Department, Inspections, Public Works and Recreation.

K. Longevity Pay Funds are allocated in this budget to provide longevity pay in accordance with the following provisions:

- 1) The Sampson County Longevity Plan is intended to reward permanent employees for faithful service on a yearly basis.

Annual longevity pay amounts are based on the length of continuous service with Sampson County and a percentage of the employee's annual rate of pay as of November 30 in any calendar year. The longevity checks shall be distributed by December 15th. Longevity pay amounts are computed by multiplying the employee's annual salary rate by the appropriate percentage, rounded to the nearest dollar, in accordance with the following table:

<u>Years of Continuous Service</u>	<u>Longevity Pay Rate</u>
10 but less than 15 years	1.50 percent
15 but less than 20 years	2.25 percent
20 but less than 25 years	3.25 percent
25 or more years	4.50 percent

- 2) Longevity pay shall be made in a lump sum. Longevity pay is not considered a part of annual base pay for classification and pay purposes, nor is it to be recorded in personnel records as a part of annual base salary.
- 3) Fractional permanent employees' longevity pay shall be based upon the percentage of time worked (i.e. an employee working 50 percent of the normal work schedule would receive 50 percent of the amount scheduled for their years of service.)
- 4) An employee will not be eligible to receive longevity pay who:
 - (i) Terminates employment with the County, either voluntarily or by administrative dismissal with cause, prior to the longevity pay date.
 - (ii) Is placed on long-term disability prior to the longevity pay date.
- 5) An employee who is transferred or promoted shall be considered to be in continuous service.
- 6) An employee who is given a specified leave of absence without pay shall be considered to be in continuous service.

- 7) Employees on leave of absence will receive their longevity payment upon their return to active service with the County.
- 8) Longevity pay shall be computed on the basis of the last salary before the employee's leave.
- 9) An employee who does not return to active service from an authorized leave of absence with the County shall forfeit his/her longevity pay.
- 10) Longevity payments made to employees in violation of these requirements (due to County or employee error) must be returned to the County.

L. Overtime To the extent that local government jurisdictions are so required, the County will comply with the Fair Labor Standards Act (FLSA). The County Manager, following FLSA regulations, shall determine which jobs are "non-exempt" and are therefore subject to the Act in areas such as hours of work and work periods, rates of overtime compensation, and other provisions. Non-exempt employees will be paid at a straight time rate for hours up to the FLSA-established limit for their position (usually 40 hours in a seven-day period); hours beyond the FLSA-established limit will be compensated at the appropriate overtime rate. In determining eligibility for overtime in a work period, only hours actually worked shall be considered. The established work week (168 consecutive hours) for the County is Friday at 5:00 p.m. to the following Friday at 5:00 p.m.

Whenever practical, departments will schedule time off on an hour-for-hour basis within the applicable work period for non-exempt employees instead of paying overtime. When time off within the work period cannot be granted, overtime worked will be paid at a time-and-a-half rate or taken as compensatory time at a time-and-a-half rate, in accordance with FLSA regulations.

Overtime work must be of an unusual, unscheduled, or emergency nature and be directed or authorized by the department head or an authorized representative of the department head. Except for overtime work of an emergency nature, approval for all overtime work must be obtained from the County Manager in advance.

Employees in positions determined to be "exempt" from FLSA (Executive, Administrative, or Professional staff) will not receive pay for hours worked in excess of their normal work periods. Compensatory time may be authorized by the Department Head in accordance with the Personnel Resolution. Under unusual or emergency circumstances, the County Manager may authorize compensatory time and/or pay for exempt employees.

Special compensatory time regulations under FLSA for local governments will be followed for law enforcement personnel who are subject to the provisions of this law. These employees may accumulate 320 hours of overtime (480 compensatory time hours). All other County employees may accumulate 160 hours of overtime (240 compensatory time hours).

M. 401-K Plan The Board of Commissioners implemented the 401K Plan for Sampson County in October, 1995. The 401K Plan is a retirement plan offered to County employees, and the County will match those employees with law enforcement.

The County will contribute 2.53% of an employee's salary into a 401K plan for those employees not considered law enforcement. An employee must be a member of the retirement system to be eligible for employer/employee contribution.

N. Life Insurance Plan A life insurance program for County employees will be added as a benefit. This program will allow employees to purchase individual permanent life insurance through voluntary payroll deductions, with no participation (match) from the County. Eligible employees are those who are working full-time (at least 30 hours a week) and in addition, employees may apply for coverage for their spouses and children.

O. Direct Deposit All employees are required to have direct deposit.

P. Employee Assistance Program (EAP) In the past fiscal year, the County implemented an Employee Assistance Program as a method of promoting employee wellness by providing assistance with distressing personal problems that affect work. It coordinates health-related or family care-related benefits so that they can best be used to help employees with a variety of personal crises and personal or family needs. This program will continue in the 2010-2011 budget.
