

Downloading the Kindle App

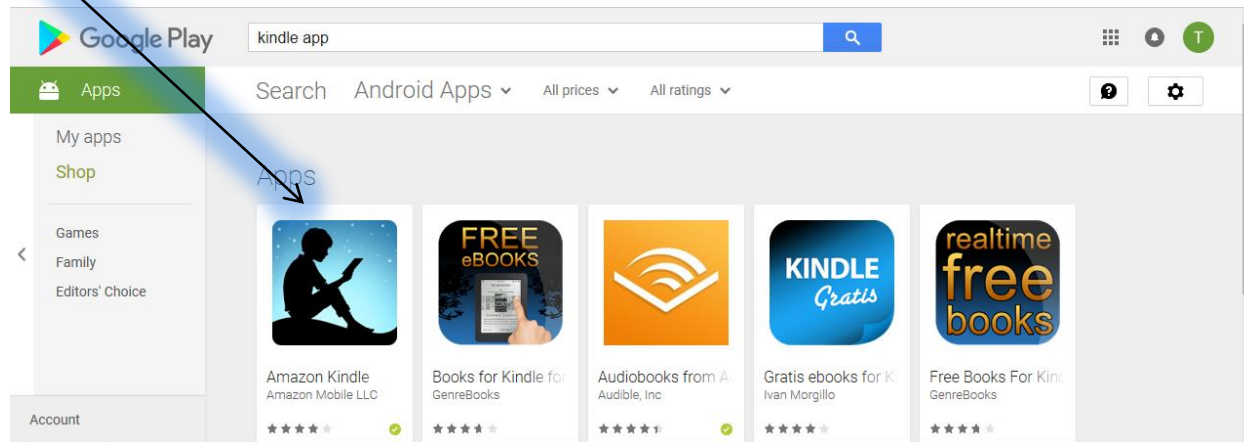

Before You Begin:

- For Mac or iOS Users download the app through the Apple Store.
- For Android Users, download the Kindle App using Google's *Google Play Store*. Please make sure that you have your Gmail and password information prior to downloading the app. If you don't have one you can register for free at: https://www.gmail.com/mail/help/intl/en/about.html?utm_expid=1737704-2.2dC_fH0vQ-uyomE2YhRX3Q.0.

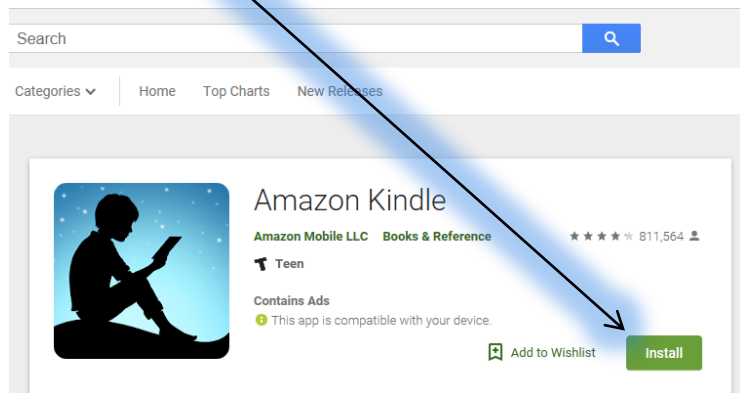

1. Type *Kindle App* in the Search Bar

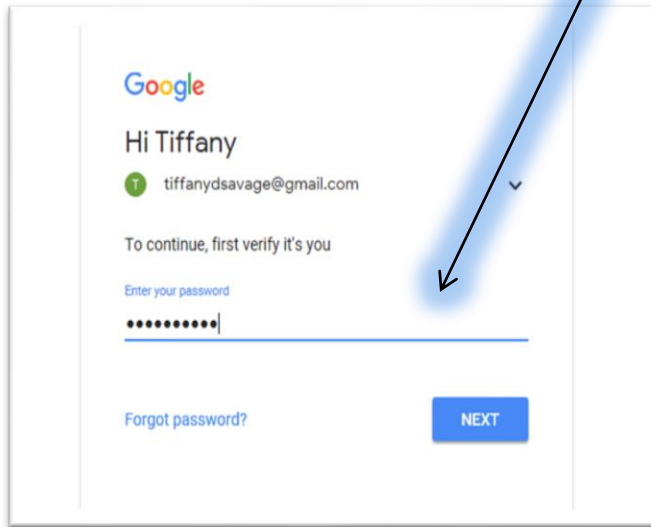

2. Select the Amazon Kindle icon.

3). Click Install.

4). *Kindle* App may ask you to verify your email password

5). *Kindle* will then ask you permission to access some of your files, click install once again.

6). A box will appear stating that the app has been installed successfully. Do this for each device you will be accessing the content on.

***At this point you should have access to the OverDrive and Kindle App.**
