Graduating Class of 2021

Sutherlin High School

Class of 2021

To say that the 20-21 school year was a difficult one is an understatement. The experience of the Covid-19 pandemic and its effect on school was at time frustrating and difficult. Through this experience, Sutherlin High School seniors persevered.

We began the year with online learning and teachers quickly came up to speed on this learning format as they resumed this method of instruction from last spring. We made extra instructional time available for students and arranged for hands on learning in our shop classes. During the fall season, sports and activities were limited. As the year progressed, shortened athletic seasons were scheduled and senior athletes at least enjoyed abbreviated seasons.

In January, the infection rates lowered in Douglas County and we were able to open school to in-person learning and allowed students who chose to stay online, to do so. This placed an additional load on staff, but all stepped up and provided quality instruction during this difficult time. Due to cohort numbers and social distancing requirements, we divided our student body in half and set up an A/B schedule that brought students back to campus and resumed a regular 7-period schedule. Several safety precautions were instituted and the school year progressed.

During the spring, after one quarantine incident, on site instruction resumed and outside activities make school feel more normal as we rapidly approached the end of this difficult year. Many staff chose to be vaccinated as the opportunity presented itself. Plans are currently being made for an outside graduation ceremony as we seek to celebrate a remarkable group of students who excelled in the face of difficulty.

I'd like to express my gratitude to the senior class of SHS for their extra hard work as they committed themselves at SHS to meet requirements. Also, to SHS seniors, I'd like to express my gratitude for their willingness to follow new rules involving social distancing, mask wearing, lunch on campus, and hand washing. It seemed that the more we asked, the more they gave. This remarkable class has excelled in the face of adversity!

Sincerely,

Marty Gary, Principal

Sutherlin High School

OREGON'S
TEACHER of the YEAR

Wes Crawford

School: Sutherlin High School
Teaches: Agricultural Science
Grade Level: 9-12

"As a teacher who has students go down every possible career path, it is on me to make clear that every purposeful path is valued and important."

About Teacher of the Year

The Teacher of the Year program was created to recognize exemplary public school educators — Oregon teachers who inspire students and make a positive impact in the communities in which they live. The award celebrates knowledge, dedication, innovation and leadership. For 2022, exceptional teachers will be honored in up to 19 regions across the state, with Oregon's Teacher of the Year selected from among our regional finalists.

Sutherlin Valley Online Academy Class of 2021

In celebration of the graduating class of 2021, the staff of Sutherlin Valley Online Academy would like to congratulate the following students:

Jasmine Aguilar	Cameron Melton
Devon Alston	Serinity Peterson
Nathan Beerman	Savannah Reed
Jesslyn Bennett	Naomi Rogers
Hope Ketchum	

We would also like to thank the parents and guardians, along with the dedicated staff of SVOA for helping students reach their academic goals. Many thanks to those whose efforts helped each student cross the finish line, including:

Sean Radford, SVOA Principal
Sue Gillham, SVOA Director
Lindsey Baimbridge, English/History
Angela Hooker, Science
Gayla Orrell, Math/Counselor
Linda Stricklin, Health/PE/Electives
