HOW TO FILE

Please review this information packet, which includes Sutherlin Municipal Code sections pertaining to filing for office. The following manuals will also assist you with the process:

2020 Candidates Manual / 2020 Campaign Finance Manual / ORESTAR Manual

These publications are also available on the Secretary of State's web site at:

<http://sos.oregon.gov/voting-elections/Pages/default.aspx>

Step 1: File Prospective Petition

Complete forms SEL 101 & 338, and submit them to the City of Sutherlin's Elections Officer for approval, and the top portion of SEL 121 **prior to gathering any signatures**. It is suggested that the candidate completes this process well in advance before the City's, August 20th filing deadline (County deadline is August 25th). There are no filing fees required to run for City of Sutherlin offices. Below is an explanation of required forms and process involved:

SEL 101 – Filing of Candidacy for Nonpartisan Nomination – prospective petition: All elected City positions are nonpartisan and this form identifies the candidate and office being sought. Filing this completed, signed and dated form with the City Recorder/Elections Officer declares candidacy.

SEL 121 – Petitions for Nonpartisan Nomination – Signature Sheet: This form is used to circulate and obtain signatures from electors supporting the candidate, and can only be circulated *after* it has been approved by the City Recorder/Elections Officer. The candidate will complete only the top portion of the form which identifies them as the candidate and the position for which they are filing. The City Recorder will then “certify it for circulation” and provide a letter to accompany the signature sheets during the signature collection process. The candidate may only collect signatures on the copied signature sheets provided and approved by the City Recorder/Elections Officer.

SEL 338 – Filed with Petitions to County – Once a sufficient number of signatures has been collected, the completed signature sheets and Form SEL 338, must be filed with the City Recorder/Elections Officer for signature verification. It is suggested that the candidate sign the forms as soon as they are confident enough signatures have been obtained. The City Recorder/Elections Officer will have the County Clerk's Office compare all signatures obtained against voter registration cards. When all signatures are verified, the County Clerk's Office will return the signature sheets to the City Recorder along with a statistic sheet indicating the number of signatures approved and the number denied. The candidate will then be notified of the results. If enough valid signatures have not been received, and the filing deadline has not passed, additional signatures may be collected and submitted. Once it's confirmed that a sufficient number of qualified signatures have been collected, the candidate will file the City of Sutherlin “Acceptance of Nomination” form with the City Recorder/Elections Officer. When all of these steps have been completed, the qualified candidate will have their name placed on the ballot.

Step 2: Collect Signatures

Upon approval of the prospective petition, the Sutherlin Elections Officer will give the candidate a letter authorizing the collection of signatures. **This letter must remain with the SEL 121-Petition for Nonpartisan Nominations, during the signature gathering process.**

Mayoral and City Council candidates must submit at least **20 nominating signatures of registered voters who reside within the city limits of Sutherlin**. It is suggested that candidates obtain a few extra signatures in case some signatures are disqualified (county will determine).

Oregon law requires that each petition sheet be properly certified by its circulator who must personally witness each signature.

Submit completed signature sheets to the City of Sutherlin City Recorder/Elections Officer by Thursday, August 20, 2020 by 4:00pm.

Step 3. File Completed Petition

The SEL 121 (signature sheets) and SEL 338, will be submitted to the Douglas County Elections Department on or before August 25, 2020 before 4pm for verification of signatures.

How to withdraw as a candidate:

If the candidate decides to withdraw as a candidate during their campaign, they must complete and file an SEL 150 – Candidate Filing Withdrawal Form, which is provided in this packet. To be removed from the November ballot, the candidate must file the SEL 150 no later than 5:00pm on Friday, August 28, 2020.
