

## *A Message from Mayor Sumner...*

Welcome July and what a great time to celebrate our nation's independence and the arrival of summer. Our area will be busy with a variety of events including the Oakland Parade and Picnic on the 4<sup>th</sup>, the Farmers Market on Thursday mornings, Music Off Central Thursday evenings starting on the 11<sup>th</sup>, the Sutherlin Stampede Rodeo – Bull Riding even on the 13<sup>th</sup>, and Sutherlin Throwdown on the 20<sup>th</sup> and 21<sup>st</sup>. I look forward to seeing some of you out there where we can share some laughter, good music, and barbeque!

At Ford's Pond, work on the playground and paving/boardwalk construction on the second half of the pond trail continues and is looking awesome! The work is slated to be complete by month's end if all goes as planned.

In this issue, the Police Chief reminds us of the importance of pedestrian and driver safety. This is particularly important with the comings and goings associated with this month's events. Please pay attention to the rules of the road and who is around you. We really want everyone to make it to all the fun events safely.

The next Coffee with the Mayor will be held at Backside Brewery Outpost, 105 West Central Avenue, on Saturday, July 6, 10:00 to 11:30 a.m.

Have a great July!

**CENTRAL PARK**

**AUGUST 1<sup>ST</sup>, 2024**

**1PM - 2:30 PM**

## ***Police Cont...***

- Where there is another vehicle stopped in a turn lane, slow down in case there is someone crossing the road.
- Make sure to exercise extra caution when the weather conditions or time of day make pedestrians less visible.
- Leave plenty of space between your vehicle and the crosswalk and/or pedestrian.
- **DO NOT** drive distracted or under the influence – these can impact your judgement time.

## **Pedestrians:**

- Be patient and wait until vehicles come to a complete stop before entering a crosswalk.
- If you cannot locate a crosswalk, make sure to cross the road where you are highly visible to traffic.
- Make sure to check for vehicles turning or backing out.
- If there is an option to activate a flashing crosswalk light, use it.
- Be aware of the weather and time or day to make sure you can be seen before walking to your destination (i.e. bright clothing, safety vest, or walking with a flashlight).
- Use sidewalks and crosswalks whenever they are available.
- **DO NOT** walk while distracted or under the influence – these can impact your judgement time.

Sharing the road and being courteous allows everyone to reach their destinations safely. Whether you are walking or driving, the way you travel impacts those around you – be safe and considerate!

Thank you and have a great summer.

Troy Mills, Chief of Police
