

UPSHUR COUNTY COMMISSION MEETING

June 4, 2020

The County Commission of Upshur County, West Virginia, held their regular meeting on Thursday, June 4, 2020 at 9:00 a.m. Terry B. Cutright called the meeting to order. Present were: Terry B. Cutright, Commissioner; Kristie G. Tenney, Commissioner; Samuel R. Nolte, Commissioner; Carol J. Smith, County Clerk; Carrie L. Wallace, County Administrator and Lois A. Marsh, Secretary. The meeting began with a moment of silent meditation and prayer followed by the Pledge of Allegiance. All motions passed unanimously unless otherwise stated.

Terry Cutright reviewed scheduled appointments and agenda items.

After discussion, on motion by Sam Nolte, seconded by Kristie Tenney, the Commission approved the regular meeting minutes of May 28, 2020, as submitted.

Carol Smith gave an update on primary election activity. There were approximately 4,368 absentee ballots mailed out and approximately 3,200 have been returned. As of Wednesday evening, there have been 512 early voters. Early voter numbers are down due to the strong response to absentee ballots. Anyone who requested and received an absentee ballot but did not return it cannot drop off their ballot at the polling place. They will need to present the absentee ballot so it can be "spoiled" and then they can vote. Without the absentee ballot, they will be required to vote a provisional ballot. The news media has asked how election night will be handled. The decision was made that people will be allowed in the courthouse as usual, unless too many people want to enter. In that case, the public will be moved to the plaza where the overflow tents will be available in case of inclement weather. Updates will be made available periodically throughout the evening. Totals on election night will not include provisional ballot numbers. In order for an absentee ballot to count, it must be postmarked by midnight, June 9th. Since the Washington District School has no water or sewer, Carol Smith is trying to relocate the polling place to the Tallmansville Baptist Church. The Washington District Fire Chief offered the fire department if needed.

After discussion, on motion by Sam Nolte, seconded by Kristie Tenney, the Commission approved and authorized the signing of the Oath and Certificates for the personal property books and real land books.

After discussion, on motion by Sam Nolte, seconded by Kristie Tenney, the Commission approved and authorized the President to sign correspondence to EBSO, Inc. and Lincoln Financial Group appointing USI Insurance Services LLC as the exclusive Agent of Record to access any and all data related to the Upshur County Commission's insurance plans, effective July 1, 2020. Carrie Wallace explained that her office had received the Statement of Values prepared by Metis Services, Inc. on behalf of WVCORP. The changes to the statement of values will affect the annual contribution, however, there will be no additional charge for the 2020-2021 coverage year. Commissioners, Ms. Wallace and Dustin Zickefoose, Assessor, reviewed the Statement of Values which resulted in questions on two valuations. Ms. Wallace suggested that the Commission table this until she receives resolution. After discussion, on motion by Kristie Tenney, seconded by Sam Nolte, the Commission agreed to table this item until a later meeting. (copy included)

After discussion, on motion by Kristie Tenney, seconded by Sam Nolte, the Commission approved and authorized the President to sign the FY 20 Violence Against Women Act (VAWA) Grant Application, Standard Conditions and Assurances, in the amount of \$30,000. Carrie Wallace stated that this is the 22nd year for this grant. (copy included)

The Commission considered an appointment to the Upshur County Public Library Board for term running from July 1, 2020 through June 30, 2025. Correspondence from Dennis Xander, Upshur County Public Library Board of Trustees, recommended the reappointment of John Haymond to the Upshur County Public Library Board of Trustees. Mr. Haymond's current term on the board expires on June 30, 2020. Also, correspondence from Abigail Benjamin, requesting consideration of Jon Benjamin for appointment to the Board was submitted on November 20, 2019. After discussion, on motion by Sam Nolte, seconded by Kristie Tenney, the Commission approved the reappointment of John Haymond to the Upshur County Library Board and approved sending Abigail Benjamin's letter to the Upshur County Board of Education for their consideration.

After discussion, on motion by Kristie Tenney, seconded by Sam Nolte, the Commission approved the Advertisement for a full-time maintenance department position. Applications must be received by 4:00 p.m. on June 26, 2020. The starting salary will be based upon experience. (copy included)

After discussion, on motion by Sam Nolte, seconded by Kristie Tenney, the Commission approved the request from Carrie L. Wallace, County Administrator, for the temporary full-time employment of Shelia Adams, as Administrative Assistant in the Commission Office effective immediately. Ms. Adams will assist with the office duties for the next 60 days at the pay wage rate of \$12.00 per hour. This expense will be charged to the Governor's COVID-19 Block Grant as the need for the position is a result of COVID-19 and was not budgeted as of March 27, 2020. (copy included)
