## **INTRODUCTION**

Thank you for your interest in serving as a volunteer for Upshur County. These policies are written to provide overall guidance and direction to volunteers. These policies do not constitute, either implicitly or explicitly, a binding contractual or personnel agreement. This manual does not contain all the information you may need during the course of your time as a volunteer. This manual is provided as a reference and guide only. Volunteers should realize that the elected official or supervisor they are working for might have additional rules, regulations and/or policies concerning volunteers and their duties. Any item in the Volunteer Manual that is, or may become, in conflict with state and/or federal statutes will be considered null and void, however, all other areas will remain effective. Specific questions should be directed to your supervisor.

**This Volunteer Manual is not intended to create any contractual rights in favor of the volunteer. Nor does this Volunteer Manual alter the "AT WILL" nature of the volunteer relationship between Upshur County and its volunteers, which means that the volunteer may resign at any time and the Upshur County Commission may terminate the volunteer relationship at any time with or without cause.**

The Upshur County Policy Board consists of the County Commission President, County Clerk, Circuit Clerk, Sheriff, Assessor, Prosecuting Attorney and two county employee representatives. The two remaining County Commissioners may serve in an advisory capacity and have no voting privileges. The Upshur County Policy Board reserves the right to modify, revoke or change any or all of the guidelines set forth, in whole or in part, at any time. The Upshur County Commission will consider revisions, modifications and/or changes for final approval after adoption by a majority vote of the Upshur County Policy Board. The Upshur County Commission has final authority on the interpretation and/or intent of any and all policies and procedures contained in this document. An opportunity for discussion with elected officials will be scheduled prior to the decision or interpretation by the Upshur County Commission.

## **DEFINITION**

For purposes of this Volunteer Manual, a "volunteer" is anyone who, without compensation or expectation of compensation, performs a task at the direction of and on behalf of the agency. A "volunteer" shall be subject to a background check and is only considered a "volunteer" after being officially approved by the Upshur County Commission and while activated by a Supervisor or elected official and performing tasks within the scope of their duties as a volunteer. Volunteers shall not be considered as "employees" of the agency.

For the purpose of clarity, (1) interns are considered volunteers that would be subject to the contents of this manual and (2) a spontaneous volunteer who appears during the time of an emergency to help for a period of less than 36 hours would not be considered a

volunteer subject to this manual. Spontaneous volunteers shall report to the Citizens Corp Council.

## **PRODUCTIVE WORK ENVIRONMENT POLICY**

### **1. Background**

The Upshur County Commission is dedicated to ensuring that the citizens of Upshur County receive the best quality public services and support from the volunteers of the County. The Commission believes that the opportunity to render this public service is a privilege, and that every volunteer of the County must be provided with a happy and productive working environment.

### **2. Gender Based Harassment / Sexual Harassment**

Both Federal and West Virginia law classify sexual harassment as an unlawful practice. Sexual harassment is defined as any kind of directed or general gender-based harassment including, but not limited to, unwelcome sexual advances, requests for sexual favors, lewd or suggestive comments or sounds, proliferation of pornographic materials/objects, threats or intimidations, and other verbal and/or physical conduct of a sexual nature when:

- a. Consent to or toleration of such conduct is made either explicitly or implicitly as a term or condition of an individual's volunteering; and/or
- b. Submission to or rejection of such conduct by an individual is used as the basis for volunteer opportunities affecting such individual; and/or
- c. Such conduct has the purpose or effect of unreasonably interfering with an individual's performance or creating an intimidating, hostile, or offensive work environment.

The conduct described above is prohibited between Supervisors and subordinates, including volunteers. It is not necessary that there be a supervisory relationship between employees or volunteers to sustain a sexual harassment charge. Furthermore, the Commission will not tolerate any non-employee third party harassment involving a volunteer of the County Commission.

### **3. Harassment Based Upon Race, Religion, National Origin, Disability, Age, or Any Other Protected Actual or Perceived Characteristic**

This unlawful harassment is best described as conduct or words directed towards a volunteer or other person that has the intent or effect of poking fun, using slurs, name calling or making derogatory jokes or comments based upon race, religion, national origin,

disability, age or any other protected actual or perceived characteristic. This conduct may have the purpose or effect of:

- a. Unreasonably interfering with an individual's work performance; or
- b. Creating an intimidating, hostile, or offensive work environment.

This behavior, which discriminates and/or creates a hostile work environment, should not be suffered by a volunteer and will not be tolerated by the Commission.

### **Policy**

**It is the policy of the Upshur County Commission that every volunteer of Upshur County be treated with consideration and respect. The Commission views the respectful treatment as the absence of all forms of harassment in the work place, whether based upon actual or perceived sex, gender, race, age, disability, national origin, color, religion, or any other personal characteristic. Because the Upshur County Commission is dedicated to providing volunteers a work place free from any form of unlawful harassment or discriminatory behavior, harassment for any reason, and in any manner or form, is expressly prohibited. All volunteers must avoid any action or conduct which could be viewed as unlawful harassment, and all volunteers are responsible for the administration of this policy and the promotion of a safe and productive workplace.**

All alleged claims of harassment, as described herein, will be promptly, fairly, and thoroughly investigated and corrective action will be taken if warranted by the results of the investigation. Such action may include disciplinary measures up to and including immediate termination of the volunteer relationship.

This policy also expressly prohibits retaliation of any kind against any volunteer bringing a complaint or assisting in the investigation of a complaint. Such volunteers may not be adversely affected in any manner related to their volunteer relationship.

Such retaliation is also illegal under the laws of the United States and the State of West Virginia.

Any volunteer who feels that he or she has suffered / is suffering harassment prohibited by this policy shall clearly inform the harasser that the behavior is offensive, unwelcome, and prohibited and request that the behavior stop. If the behavior continues, the volunteer shall immediately report the incident to his/her immediate supervisor. If the immediate supervisor is involved in the harassing activity, the alleged violation may be reported to the supervising department head, the County Administrator, or any member of the County Commission.

All complaints will be promptly, thoroughly, and fairly investigated by the Commission or its designated employee/agent. Investigations will be conducted to the fullest extent possible to protect the privacy of all parties concerned. Disciplinary and

corrective action will be taken as appropriate, as determined by the County Commission.

## **ATTENDANCE**

Volunteers are expected to meet their commitments to their scheduled service hours. Supervisors must be notified of any absences in advance or as soon as possible. After 180 consecutive days of not reporting to volunteer, the volunteer will be determined to be "inactive" and the Upshur County Commission reserves the right to terminate the volunteer relationship. With regards to CERT members, failing to report for two call-outs will cause the CERT member to be "inactive" and the Upshur County Commission reserves the right to terminate the volunteer relationship.

All volunteers must sign-in and out when reporting for service. Failure to do so and illegible handwriting will result in service hours not being recorded.

## **ACCESS**

For security reasons, volunteers are not permitted to have access to facility keys. Access to a building that is not open to the public during regular business hours is to be gained through Upshur County Commission Staff. During a state of emergency declared by the Upshur County Commission President, an elected official and/or supervisor may waive the requirements and/or restrictions of this policy. Waiving of this policy must be documented and signed by both the volunteer and the elected official or supervisor.

## **DRUG & ALCOHOL FREE WORKPLACE**

Upshur County is committed to the principle of keeping illegal drug use out of the workplace and society in general. The use of alcohol and drugs endangers employees, fellow volunteers, workers and public safety. Upshur County has implemented this policy in accordance with the Drug Free Workplace Act of 1988 to help ensure and maintain a drug-free, safe and secure working environment. For the purpose of this policy, the definition of a "drug" includes alcoholic beverages, inhalants and any illegal drugs.

The unlawful manufacture, distribution, dispensation, possession or use of a drug on County property or vehicles is absolutely prohibited. Violations of this policy will result in disciplinary action up to and including immediate termination of the volunteer relationship. Depending on the circumstances, other action, including notification of appropriate law enforcement agencies, may be taken against any volunteer that violates this policy.

As a condition of volunteerism, county volunteers must notify Upshur County officials within five (5) days of the conviction for any criminal drug violation occurring in

the workplace. Failure to do so will result in immediate termination of the volunteer relationship. Please note that the volunteer relationship may be terminated as per above paragraph.
