TERMS and CONDITIONS

- 1. These Terms and Conditions apply to all AVENU Application Software purchased by the customer and properly licensed. This SSA will remain in effect until the Customer's SSA expiration date and will then be automatically extended for a period of 12 months at the then current AVENU SSA rate (which may incur an annual operating increase of not more than 5%), unless: (i) either party notifies the other in writing of its intent not to extend this Agreement at least ninety (90) days prior to the Support Expiration Date, or, (ii) the Agreement has otherwise expired or terminated under the terms of this Agreement.
- 2. AVENU will provide Support as described below during the hours of 8:00 a.m. and 5:00 p.m., Central Time, Monday through Friday (holidays excluded).
- 3. For LICENSEES, AVENU will, upon payment of the then current Support Fees:
 - a) make available, at AVENU'S option and on AVENU'S schedule, error correction and standard enhancement releases to the object code and/or user documentation of the product so as to bring installed applications to a level equivalent with that of the currently marketed base version of the base-line product(s) (not including LICENSEE customer code integration to the base-line product(s) IF present);
 - b) provide access to and use of the AVENU Support line service to:
 - 1) clarify installation and operating instructions contained in the user documentation delivered with the product, and
 - assist in the identification of solutions to operating problems being experienced by the LICENSEE with the product. Support line service is provided at no additional charge to LICENSEE.
 - c) provide problem determination, investigation, and program error correction for verified program errors on the then current release of the Licensed Software, at no additional charge to LICENSEE, Program error correction on previous releases will be performed at 75% of the then current hourly billing rate.

- d) provide data repairs for LICENSEE files and records on a "best efforts" basis for data problems CAUSED BY the AVENU Licensed software at no additional charge to LICENSEE, and
- e) provide data repairs for LICENSEE files and records on a "best efforts" basis for data problems NOT CAUSED BY the AVENU Licensed Software at the discounted rate of 75% of AVENU's then current hourly billing rate. AVENU includes in the category "data problems NOT CAUSED BY the AVENU Licensed Software" any data corruption or integrity problems caused by, but not limited to the following:
 - 1) equipment malfunction or failure
 - 2) failure of LICENSEE to follow procedures and/or instructions contained in the documentation provided by AVENU
 - 3) failure by LICENSEE to follow procedures and/or instructions contained in documentation provided by applicable hardware vendors or failure to follow accepted operating practices (for example, failing to routinely prepare backup data files, powering off or interrupting equipment while programs are executing, etc.)
 - 4) use of programs, including program modifications, other than those provided by AVENU with the Licensed Software.
- f) Offer remote dial in to client systems to facilitate problem resolution (iSeries Pass-thru and web-based connection) as required.
- 4. AVENU will take due care in responding to each request for Support Services to assure that LICENSEE is making proper use of the Licensed Software, and that the Licensed Software is operating properly. AVENU will use its best efforts to correct any identified program errors but does not guarantee results or warrant that all errors will be corrected.
- 5. AVENU expressly <u>excludes</u> the following services from the Support Services to be provided under this Agreement:
 - 1. System configuration and implementation

 - 5. Licensed Software modifications and/or enhancements other than those supplied as a part of the periodic error correction and updates
 - 6. Support of any Licensed Software product other than the one(s) indicated on the signed SSA face page corresponding to this agreement
 - 7. Operating system support
 - 8. Hardware repair or support, whether the hardware was sold by AVENU or by any other vendor
 - 9. AVENU will not release any base product error corrections or enhancements, if the Customer is not licensed for the AVENU Software.
- 6. Payment, in full, of the appropriate Support Fees must be received by AVENU within 30 days after receipt of AVENU invoice for these services. An invoice for the applicable Support Fees for the subsequent twelve (12) month coverage period will be submitted by AVENU to LICENSEE approximately 30 days prior to the termination date, unless either party has notified the other in writing of its intent not to extend this Agreement pursuant to Section 1 of this Agreement. In the case of newly licensed software, the SSA begins and is billable upon receipt of the Licensed Software and the applicable SSA payment will be prorated so it renews on the same and common expiration date as do all other AVENU SSAs for that LICENSEE.

- 7. All charges for shipments and mailings to AVENU are the responsibility of the LICENSEE. All returns and mailings to the LICENSEE by AVENU are via regular U.S. Mail, or similar service as selected by AVENU, unless specifically directed otherwise by the LICENSEE. All express or expedited charges are the responsibility of the LICENSEE and will be billed separately to the LICENSEE if paid by AVENU.
- 8. In addition to the Support Fees and other charges stated above, LICENSEE agrees to pay all applicable taxes (except for taxes based on AVENU'S net income or capital stock) relating to this Agreement, the Error Corrections, Enhancements Releases, or other software or services provided by AVENU under this Agreement or payments made under this Agreement. Applicable tax amounts (if any) are NOT included in the fees set forth in this Agreement. If LICENSEE is exempt from the payment of any such taxes, LICENSEE must provide AVENU with a valid tax exemption certificate; otherwise, absent proof of LICENSEE'S direct payment of such tax amounts to the applicable taxing authority, AVENU will invoice LICENSEE for and LICENSEE will pay to AVENU all such tax amounts.
- 9. Reinstatement of this agreement after having not been in force for 60 days or fewer will be made retroactive to the date that the Agreement expired with no reinstatement charge. Reinstatement of this agreement after having not been in force for more than 60 days will incur a reinstatement charge, in addition to the normal Software Support fees, of an amount equal to 5% of the annual Support Fees for each month that this agreement had not been in force, up to a maximum of 50% of the Support Fees for each year that this agreement has not been in force.
- 10. AVENU'S liability for damages to the LICENSEE for any cause whatsoever, and regardless of the form of actions, whether in contract or in tort, including negligence, shall be limited to any actual charges incurred for up to twelve months' Support Fees applicable to the Licensed Software covered under this Agreement. Such Support Fees shall be those in effect when the cause of action arose.

In no event shall AVENU be liable for any damages caused by the LICENSEE'S failure to perform the LICENSEE'S responsibilities, or for any lost revenues or other consequential damages, even if AVENU has been advised of the possibility of such damages, or for any claim against the LICENSEE by any party.

THE FOREGOING WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES AND CONDITIONS, EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES AND CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

- 11. This Agreement is assignable by AVENU upon ninety (90) days written notice. This Agreement is not assignable by LICENSEE; none of the services granted hereunder nor any of the Licensed Software materials or copies thereof may be sub-licensed, assigned or transferred by the LICENSEE. Any attempt by LICENSEE to sub-license, assign or transfer any of the rights, duties or obligations under this Agreement is void.
- 12. The terms and conditions of this Agreement may be modified by AVENU effective on the date of automatic renewal by providing the LICENSEE with one (1) month's prior written notice. Any such modification will apply unless the LICENSEE exercises the option to terminate this Agreement. Any variation from these terms and conditions in any LICENSEE order or other modification will be of no effect.
- 13. The LICENSEE represents that they are the LICENSEE identified on an AVENU License Agreement for product(s) they wish to be covered by this SSA and that LICENSEE is in compliance with the terms and conditions associated with the applicable License Agreement.
- 14. AVENU services provided outside the scope of this agreement will be furnished on AVENU'S schedule and at AVENU'S applicable time and material billing rate and terms then in effect.
- 15. Neither AVENU nor LICENSEE is responsible for failure to fulfill their obligations under this Agreement due to causes beyond their control.

- 16. AVENU is the copyright owner of the systems covered herein. LICENSEE shall take proper precautions to protect the Proprietary Information contained in the programs and documentation and will not disclose any proprietary or trade-secret information to any unauthorized persons.
- 17. No actions, regardless of form, arising out of this Agreement may be brought by either party more than two years after the cause of actions has arisen, or in the area of non-payment, more than two years from the date of the last payment.
- 18. It is mutually agreed that any action at law, suit in equity or judicial proceeding for the enforcement of this Agreement or any provision thereof shall be instituted only in the courts of the State of Virginia. It is mutually understood and agreed that this Agreement shall be governed by the laws of the State of Virginia and the United States of America both as to interpretation and performance.
- 19. It is understood and agreed by the parties hereto that if any part, term, or provision of this Agreement is by the courts held to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision that is held to be invalid.
- 20. LICENSEE agrees that should it default in any of the covenants or agreements contained herein, LICENSEE shall pay all costs and expenses including a reasonable attorney's fee, which may arise or accrue from enforcing this Agreement, whether pursued by filing suit or before or after judgment.

Director's Report UCPL Board of Directors Meeting – June 17, 2020

I. Limited Services Plan update

- A. Business has been slow since we started. The first day was very busy, but that was because we were calling people about their holds from the past 2 months.
- B. During the first week of June, we have brought back the part timers for 6 hours a week, as we had the additional help already included in the budget, and we did have some projects we wanted to complete. 6 hours is the most that the part timers are able to work without any impact on their unemployment claims, and helps us complete additional tasks. Karen and Bobbi are still furloughed until July 1. We will continue this schedule through the end of the month, then we have already let everyone on staff know that July 6th is when we are planning to go back to normal hours/schedules.
- C. We decided to allow limited patron browsing (up to occupancy limits) starting Monday, June 15th. Business has been pretty slow, so the limited staff we have can definitely handle having patrons in the library, and I am not wishing to tell patrons no as much as I can, as the majority of the patrons find new materials to enjoy through browsing, not on the catalog.
- D. This should be the final change to the limited service plan we have in effect until July 6, when we go back to as normal a service model as we can, with the only restrictions being on occupancy and no programs or meeting room use as yet.

II. Summer Reading Update

- A. Summer Reading began on June 1. As of Friday, June 12, we have participants signed up, with the following breakdown:
 - 1. Early Readers (ages 0-4):
 - 2, Children (5-12):
 - 3. Teenagers (13-18)
 - 4. Adults (19+):
- B. Most questions received on Summer Reading have to do with where information goes in the app, but overall the program seems to be going well.

III. Grant opportunities

- A. IMLS CARES Act grant digital learning & technology
 - a. We ended up totaling \$45,000 worth of salaries, items or services that we wanted to fund with this grant. We asked for money to cover some of Beth and Paul's salaries in order to procure, implement and train the rest of the staff on the new services and technology, several pieces of equipment that will enable us to begin producing digital programs of our own, and enough funding to purchase access to 4 digital services (2 for streaming services, 1 digital tutoring service and Ancestry Library Edition) for 2 fiscal years.
 - b. Grant was applied for on June 5th. Still awalting a decision.
- B. WV Humanities Council Grant additional funding for nonprofit organizations hit hard by COVID-19
 - a. I am happy to announce that we were awarded \$5,000 for this grant, which we will be putting towards payroll expenses (hopefully in the next fiscal year, but it depends when we receive the money).
 - b. We had asked for \$8,500, but they only gave us a partial award.

IV. Affiliates

A. Most affiliates are in various stages of reopening, although I believe all are at least providing curbside services similar to the plan we have instituted.

The Enforcement Board reviewed the following cases:

061418-03 (Best) -- No action taken. Sold during November 2018 tax sale, property owner has 18 months to redeem - waiting until the end of the 18-month period to see if the new owner brings the property into compliance. Discuss during May 2020 meeting.

101019-02 (Chewning) Reviewed photographs of property. Tabatha informed the Board that Mr. Chewning came to the Commission Office on March 11, 2020 and explained that progress is being made to the property; however, he needs more time. After discussion, on motion by Brian Shreves, seconded by Chris Cook, the Board approved providing the property owner with his first extension. It was determined 30 days would expire after the next meeting; therefore, the Board moved to provide the property owner with an extension set to expire on May 12, 2020.

Upshur County Public Library Board of Trustees Special Meeting May 18, 2020

A special meeting of the Upshur County Public Library Board of Trustees was held on Thursday, May 18, 2020 at 4:00 p.m. at the library. Board members in attendance were Dennis Xander, Michelle Strader, Carol Smith, John Haymond, and Kenna Leonard. Also in attendance were Paul Norko, Director; Beth Rogers, Assistant Director; Connie Cutright, Business Manager; and Ann Slaughter, Friends of the Library representative.

The minutes of the March meeting were approved on a motion made by John and seconded by Kenna. April's meeting was cancelled due to COVID 19 restrictions.

The financial reports for March and April were accepted on a motion made by Carol and seconded by Michelle.

Director's Report -- see attachment

Due to the closing of the library due to COVID 19 and the furloughing of employees, estimated projections through June 30th shows the library ending the year with less than a \$2,000.00 deficit. The year began with an \$8,297.00 deficit in the budget. We lost the Ramp Dinner income as well as the \$14,428.00 Enhancement Grant.

The budget for FY 2021 was presented with a \$9,952.00 actual deficit. Grant amounts that were received this year but will be spent next year skews the actual numbers on the spreadsheet. The budget for FY2021 was approved on a motion made by Kenna and seconded by John.

Paul stated that our limited services reopening plan has been approved by the County Health Department. Beginning June 1, curbside services will be offered. Week 2, beginning June 8, will include scheduled computer use. Week 3 or 4 will include a limited number of patrons in the building to browse, and July 6, all employees will return and we will be open for normal operations as allowed by county and state regulations. (see attachment for more details)

The Holiday List for FY2021 was approved on a motion made by Kenna and seconded by Carol.

Connie stated that we have had patrons ask if we accepted credit cards for payment of fines, copies, lost books, etc. We recently had a patron who wanted to make a donation by credit card. A private company called Government Window offers governmental and affiliated agencies the option to allow credit card usage by their patrons without any fees charged to the agency. The fees would be paid by the user. This is the same system that the county uses. Michelle made a motion for the library to pursue allowing credit card usage through Government Window and Kenna seconded the motion.

Ann stated that the Friends funds are low and they will need to begin fundraising.

Dennis then tendered his resignation from the board, effective June 30, 2020.

The next meeting will be Wednesday, June 17th.

Respectfully submitted,

Connie Cutright
Business Manager

Board President
