To Whom It May Concern:

The Statewide Transportation Improvement Program (STIP) is a financially constrained document that is required to show planned Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) expenditures for federal fiscal years 2020-2025. One of the requirements of funding any project with federal transportation funds is that each proposed regionally significant project or major change to program group size undergoes a public review and comment period. Therefore, additions or deletions to the STIP and certain changes to current projects or groupable programs in the STIP must meet this requirement before federal funds can be obligated. As such, the West Virginia Department of Transportation (WVDOT) is requesting your assistance in making available the listing of proposed amendments to the approved 2020-2025 STIP. The project listing and program funding snapshots can be found by viewing Amendment 6 – Highways and Amendment 6 - FTA at the link below:

<https://transportation.wv.gov/highways/Programming/STIP/Pages/amendments.aspx>

If you require a printed copy, please contact Mrs. Gehan Elsayed at the address/number below. All written comments are to be received no later than October 15, 2021 and should be addressed to:

General Membership Meeting

Meeting Minutes (held virtually)**

Board Members present: Debora Brockleman, Tonya Kittle, Jodi McQuillan, Dr. Joseph Reed, and Beth Rogers.

Board Members not present: Rise Hanifan, Addie Helmick, Tina Helmick, Matt Kerner, Kristie Tenney, and Eddie Vincent.

Staff: Lori Ulderich Harvey and Ginny Dixon

Community Members present: Anne Chopyak (community), Kari Frye (substance use disorder care coordinator with Center for Women's Health), Rita McCrobie (AG's office), Kathy McMurray (Mountain CAP), Cara Price (WVPTI), Emma Rexroad (Unicare), Peggy Rittenhouse (MountainHeart Community Service), Sarah Sienkiewicz (ResCare), April Waybright (MountainHeart BTT).

Welcome, invocation, introductions: Dr. Reed, Board chair, opened the meeting with prayer. Those present introduced themselves and noted their agency affiliation. Dr. Reed noted that there were 36 new cases of covid identified over the weekend in Upshur County, with a total of 93 within the last week. Also noted initially was that Parish House/Clothesline were taking no donations of items, nor is Goodwill. The pregnancy center is still accepting donations. Status at the Salvation Army is unknown. Someone noted that the Really Really Free Market in Buckhannon has yard sale items to give away, according to their page on Facebook.

Healthy Grandfamilies: The Summer session is wrapping up, with one grandparent participating. Lori and Sarah Campbell will be meeting with social workers and Communities in Schools specialists prior to the Fall session beginning. More families are needed! All elementary schools in the county now have a CIS specialist.

Storage: We're looking for spaces available around the county to store items which the UCFRN needs to set aside rather than house in the office. A 12' x 12' area should accommodate our needs. While the space does not need to be heated, it needs to be dry. If the floor is gravel, we will likely need to store on pallets.

Children's Festival: Debora provided an update on this event, to be held on 9/18/21 from 10 am to 2 pm. The planning committee is still hoping for more organizations to join us. Truck Fest will also be going on at the same time. Everything is free to the children of all ages, but the predominant age range of those who usually attend is from 3 to 12 or 13 years old.

Information sharing:

- **Beth Rogers**, Assistant Librarian at UCPL, shared that they are the recipient of an AARP Community Challenge grant. Plans are to construct a small outdoor space at the library that community members can access Wi-Fi even when the library is closed.
- **Dr. Reed** shared that the Green Bean cook-off will be Friday, August 13th during Festival Friday; the Stroll will be Saturday, August 14th at 9 am. All proceeds benefit the Parish House.

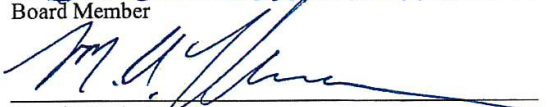

- **April Waybright**, MountainHeart Birth to Three, shared that that agency is conducting a survey on basic needs assessment, to cover 27 counties. Survey will run through October 1st. Currently it is in paper form, however the digital version will soon be available.
- **Jodi McQuillan**, HAPI project, announced that they have hired a new care coordinator to cover Lewis and Upshur Counties.
- **Lori** noted that October is National Bullying Prevention Month.
- **Cara Price**, WV PTI (Parent Training & Information), noted that that agency is conducting training, both in-person and by Zoom, on IEPs and the special education process. They are gearing up for the start of the new school year. She added that PTI also works with home-schooling parents.

Next meeting: Monday, September 13, 2021 at 12:00 noon. If held in-person, it will be at the Presbyterian Church.

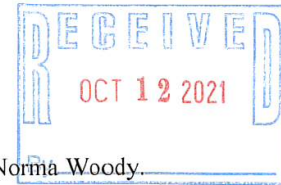

Respectfully submitted,

Ginny Dixon, Administrative Assistant
Upshur County FRN

HODGESVILLE PSD

MONTHLY MEETING

SEPTEMBER 7, 2021-4pm

MINUTES

Held at the District office all Board members were present along with Terry Gould, Manager and Barbara Curry. Also in attendance were Randy Watson of Thrasher Engineering, Brian Zickefoose and William Greene of the Warren District Fire Department and Nick and Adam Ringer of Ringers, Inc.

The minutes of the meeting held in August were read and approved.

Brian Zickefoose and William Greene discussed fire hydrants that needed attention. Some minor and others a little more. The major ones are included in the Hodgesville PSD Improvement Project for which Randy Watson of Thrasher is working on funding for our project. The fire hydrant at the Warren District Fire Station which is owned by the fire station was discussed. The valve to turn off the hydrant can not be located. Terry stated if they can't find, HPSD can help isolate by turning water valves off between the station and the intersection so they can perform repairs. Zickefoose and Greene then left the meeting.

Randy Watson of Thrasher and Terry Gould then held a discussion of the meeting they had earlier that afternoon with Terry Cutright, County Commissioner and Carrie Wallace, County Administrator. Randy stated that with money from the American Rescue Plan and the Infrastructure Council that HPSD may be able to get the 1st phase of the Improvement Project started. Carrie and Terry Cutright stated that the US Treasury has not released their final version of guidelines for the allowable usage for the ARP funds. They did state that HPSD needed to update their request letter so that they had it in hand when guidelines were released. The Board held a discussion as to what improvements and repairs needed to be prioritized first.

Ringers discussed work orders and which leaks were the worse. The Board then discussed which ones they wanted attention first. Hackers Creek leak and the one along Rt 20 at the Cobble Lane are the first two on the list. John Harper with the PSC has been working with HPSD on the Cobble Lane leak.

A discussion was held on the PRV on Gum Mountain that started leaking in August. Terry Gould thanked Randy Watson for his help during this time. Ringers were able to get it back in working condition with Randy's assistance. The invoices from Ringers for this repair and dealing with customers during this crisis was quite large. The Board held a discussion on

approaching First Community Bank to take the loan with them back up to the original \$30,500. That would help with the cash flow until our rate increase is finalized by the PSC. This was approved by a motion from Robert Wright and seconded by Roger Ward to contact First Community Bank to take the loan to the original \$30500.

Terry Gould presented the monthly bills, financial reports and leak adjustments. A motion was made by Roger Ward and seconded by Howard Cutright to approve and pay the bills. Barbara Curry stated that the arrears to the City of Buckhannon is now paid in full as of August 20, 2021.

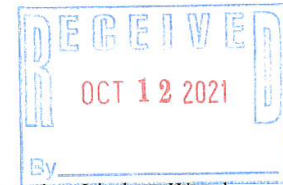

Terry Gould stated that HPSD is waiting for the final report on the rate increase. HPSD is to set up a new checking account for a CWCR Acct to be used as reserve. The rate increase states how much of a percentage of receivables is to go to that account and also a percentage is to go to Ringers and Atlas until the arrearage is paid in full within 2 years or whichever comes first.

The meeting adjourned at 6pm.
