

Addendum No. 1 to ITB 2022-09

New Force Main and Low-Pressure System

July 5, 2022

SECTION 1.0 SCHEDULE OF EVENTS

Failure to comply with this or any other paragraph of this RFP shall be sufficient reason for rejection of the proposal.

All times listed in the Schedule of Events are Eastern Standard Time (EST).

<i>Event</i>	<i>Date/Time</i>
Bid Advertisement Date	June 2, 2022
Release of Invitation to Bid	June 2, 2022
Mandatory Pre-Bid Conference	June 21, 2022 @ 10:00 A.M.
Bid Questions Due from Prospective Bidder	June 28, 2022, by 5:00 P.M
Responses to bid questions due	July 7, 2022
BIDS DUE TO BOCC	July 19, 2022 @ 3:30 P.M.
Posting of Intended Award	July 25, 2022
Board Consideration of Intended Award	August 15, 2022
Posting of Notice of Award	August 16, 2022

This addendum is being posted to provide answers to questions received.

ITB 2022-09 NEW FORCE MAIN AND LOW-PRESSURE SYSTEM
QUESTIONS FROM PROSPECTIVE BIDDERS
DATE DUE: JUNE 28, 2022
RESPONSES TO ANSWERS DUE: JULY 7, 2022

Q1: What is the estimated cost for this project?

A1: \$3,156,250.00

Q2: Can the notice to proceed be delayed until the material is delivered to the project site? Assuming delays in getting the material.

A2: No. The Notice to Proceed will be issued pursuant to the schedule outlined in the contract documents. At the County's discretion, additional time may be added to the total contract time if the contractor can document the delays of the required materials.

Q3: ITB 2022-09 (and ITB 2022-08) show federal funding for the projects. Are contractors going to be required to install "domestic" materials for BOTH projects. Specifically, as it pertains to mechanical joint fittings, restraints, valves, and stainless-steel fittings. If so, does this project have to meet AIS standards, or is there another threshold to be met?

A3: Both projects (ITB 2022-08 and ITB 2022-09) will be required to adhere to the guidelines established by "Buy American" provisions outlined by the Recovery Act. These provisions require that all iron, steel and manufactured goods used for the construction, alteration, maintenance or repair of a public building or public work be produced in the United States. Details are outlined in Exhibit I of the ITB 2022-09.

Q4: Several material suppliers have noticed incorrect unit quantities in the 16" and 20" pvc linear footages between what is indicated on the plans versus what is provided for in the bid form. The quantity differences are significant. Please clarify.

A4: The Bid Sheet for Phase 1B-20" FM from US319 to Floyd Gray to WWTP has been updated with the correct linear feet for the 12", 16" and 20" pipelines. The updated bid sheet is attached to this addendum.

WAKULLA COUNTY BOCC
Phase 1B - 20" FM from US319 to Floyd Gray to WWTP
JSA PROJECT NO. 3107-104

Bid Sheet					
Item No.	Item Description	Qty.	Unit	Unit Cost (\$)	Extended Cost (\$)
COMPREHENSIVE ITEMS					
1	Mobilization and Demobilization	1	LS		\$ -
2	Erosion and Sedimentation Control	1	LS		\$ -
TOTAL COMPREHENSIVE ITEMS					\$ -
WASTEWATER COLLECTION SYSTEM					
3	PVC Pipe (Open Cut)				
3.01	8" PVC AWWA C-900, DR 25	80	LF		\$ -
3.02	12" PVC AWWA C-900, DR 25	19,660	LF		\$ -
3.03	16" PVC, AWWA C-905, DR 25	19,665	LF		\$ -
3.04	20" PVC, AWWA C-905, DR 25	21,120	LF		\$ -
TOTAL PVC PIPE					\$ -
4	Ductile Iron Pipe				
4.01	12" Ductile Iron Pipe	100	LF		\$ -
4.02	16" Ductile Iron Pipe	100	LF		\$ -
4.03	20" Ductile Iron Pipe	220	LF		\$ -
TOTAL DUCTILE IRON PIPE					\$ -
