**Questions and Answers**

Q1: Can the 5% bid bond be covered with a check?

A1: Yes. The cashier's or certified check should be made out to the Wakulla County Board of County Commissioners and should state this is for the bid bond and have the ITB number in the memo section. The County will hold the check until the vendor is selected. Should your company not be the selected vendor, you can either pick up the check in person or the County will properly dispose of it.
