**ITB 2023-01 Aggregate Material**  
**Questions due January 19<sup>th</sup> and responses to bid questions due on or before**  
**January 23<sup>rd</sup>**

**Questions and Answers**

Q1: It has listed lime rock #57/#5 and also aggregate #57/#5. Is aggregate referred to as granite #57/#5?

A1: Aggregate is not referred to as granite #57, #5. Please see the revised Basis of Bid below.

**Basis of Bid**

Item #	Material	Quantity	Bid Price
1	Lime Rock Base	Ton	\$
2	Lime Rock Base	Ton	\$
3	Aggregate Rock #5	Ton	\$
4	Aggregate Rock #57	Ton	\$
	<u>Total</u>		<u>\$</u>

**\*\*The bid price for items 1 through 4 will be totaled together for a total base bid price. The bidder with the lowest total base bid price will be considered the apparent low bidder.**

Q2: Mostly lime rock road base is the only FDOT approved product at any location. Which is where the rock is removed from. Will that work for the specifics?

A2: Yes.
