**ITB 2023-27 Minor Repairs of CR 375 Smith Creek Road over Mill Creek Bridge
Questions due July 11th and responses to bid questions due on or before July
18th**

Questions and Answers

Q1: The plans call for TL-3 guardrail however the footage shown in the plans for the parallel end anchors is only enough for TL-2 rated anchors. Is the intent to use TL-2 anchors or TL-3?

A1: The intent is to use TL-2.

Q2: Bid documents require bidder to be a licensed contractor of the state of FL. We do not have this...but we have the FDOT prequalification's for Repairs & Rehabilitation of Bridges.

Do you know if our bid will be rejected if we do not provide a GC #?

A2: A general contractor license is not required, however a Bidder seeking to do business with the County shall, at the time of submitting a Bid, be appropriately registered with the Department of State in accordance with the provisions of Chapters 605, 607, 617, or 620 Florida Statutes, as applicable. For further information on required filing and forms, please go to the following sites: <http://sunbiz.org/index.html>.
