If this ITB is amended, the County Procurement Office will issue an appropriate addendum to the ITB. Any addendums will be posted on the county website. Pursuant to Chapter 119, Florida Statutes (FS), all responses are subject to Florida's public records laws.

While every effort is made to ensure the accuracy and completeness of information in the ITB, it is recognized that the information may not be complete in every detail and that all work may not be expressly mentioned in the ITB. - 6.1 The County has established certain mandatory requirements that must be included as part of any Bid. The words “should” or “may” in this ITB indicate desirable attributes or conditions but are permissive in nature. Deviation from, or omission of, such a desirable feature will not by itself cause rejection of a Bid.

Material requirements of the bid are those set forth as mandatory, or without which an adequate analysis and comparison of replies is impossible, or those which affect the competitiveness of replies or the cost to the County.
- 6.3 The County reserves the right to determine which Bids meet the material requirements of the ITB and which Bids are responsible and/or responsive. Further, the Board of County Commissioners may reject any and all Bids and seek new Bids when it is in the best interest of the County to do so.

- 6.8 A Bidder seeking to do business with the County shall, at the time of submitting a Bid, be appropriately registered with the Department of State in accordance with the provisions of Chapters 605, 607, 617, or 620 Florida Statutes, as applicable. Bidder's state contractor license number, if any, shall also be shown on Proposal Transmittal Form (Bid Form 1).
- 6.9 The Bid should address the requirements in a clear and concise manner in the order stated herein.
- 6.10 Bids must include the information/documents specified in the Bid Proposal Forms, 1 thru 5. Bids that do not adhere to the format or include the requested information/documents may be considered incomplete and therefore unresponsive by the County.

SECTION 7.0 EVALUATION OF BIDS AND SELECTION PROCESS

- 7.1 Bidders who satisfy the required qualifications and are deemed responsible Bidders and who timely submit a responsive Bid will be considered by the County. Bids received from prospective Bidders who have been suspended or debarred pursuant to Section 2.258 of the Wakulla County Code will not be accepted or considered. A Bidder whose Bid, past performance, or current status that does not reflect the capability, integrity, or reliability to perform fully and in good faith the requirements of the Contract may be rejected as

ITB 2024-21 CONCRETE FORMING AND POURING

non-responsible in accordance with Sec. 2.255(c) of the Wakulla County Code of Ordinances.

- 7.2 As provided in Section 2.255 of the Wakulla County Code, the county may consider the following factors in addition to price when determining whether a Bidder is responsive and responsible:
- a. Ability, capacity, and skill of the Bidder to perform the contract.
 - b. Whether the Bidder can perform the contract within the time specified, without delay, interference, or conflict with current workload.
 - c. Character, integrity, reputation, judgment, experience, and efficiency of the Bidder.
 - d. Quality of performance of previous contracts.
 - e. Previous and existing compliance by the vendor with laws and regulations relating to the contract.
 - f. Sufficiency of the financial resources and ability of the vendor to perform the contract or provide the Work.
 - g. Quality, availability and adaptability of the supplies or contractual services to the particular use required.
 - h. Ability of the Bidder to provide further maintenance and service for the use of the subject of the contract, if applicable.
 - i. Number and scope of conditions attached to the bid or quote.
 - j. Qualifications of personnel, licensing, and corporate qualifications.
 - k. Evidence of improper litigation.
 - l. Use of one or more subcontractors with a record of inferior performance.
- 7.2.1 For the purposes of this section, the county may consider evidence from the ten-year period preceding the subject bid.
- 7.2.2 In the event the lowest, responsive, responsible bid for a construction project exceeds the architectural or engineering cost estimates, the county administrator or designee is authorized, when time or economic considerations preclude rebidding of work of a reduced scope, to negotiate an adjustment of the scope of work with the lowest, responsive, responsible bidder, in order to bring the bid within the amount of available funds. After award of this Bid the County reserves the right to add or delete items/services at prices to be negotiated at the time of addition or deletion. At Contract renewal time(s) or in the event of significant industry wide market changes, the County may negotiate justified adjustments such as price, terms, etc., if in its sole judgment, the County considers such adjustments to be in its best interest.
- 7.3 The County reserves the right to reject any or all Bids, including without limitation, nonconforming, nonresponsive, unbalanced, or conditional Bids. The County further

ITB 2024-21 CONCRETE FORMING AND POURING

reserves the right to reject the Bid of any Bidder whom it finds, after reasonable inquiry and evaluation, to be non-responsible. The County also reserves the right to waive all informalities not involving price, time, or changes in the Work and to negotiate contract terms with the Successful Bidder.

- 7.3.1 More than one Bid for the same Work from an individual or entity under the same or different names will not be considered. Reasonable grounds for believing that any Bidder has an interest in more than one Bid for the Work may be cause for disqualification of that Bidder and the rejection of all Bids in which that Bidder has an interest.
- 7.3.2 In evaluating Bids, the County will consider whether or not the Bids comply with the prescribed requirements, and such alternates, unit prices and other data, as may be requested in the Bid Form or prior to the Notice of Award.
- 7.3.3 In evaluating Bidders, the County will consider the qualifications of Bidders and may consider the qualifications and experience of Subcontractors, Suppliers, and other individuals or entities proposed for those portions of the Work for which the identity of Subcontractors, Suppliers, and other individuals or entities must be submitted as provided in the Supplementary Conditions. The apparent low, responsible, responsive bidder will be required to provide a list of similar projects completed in the last five years including the project description, location, dates, and team members, an organizational profile of the company with a list of professional staff, years with the company, a statement of qualifications and copies of professional certifications and licenses held prior to any Board of County Commissioners consideration of an award. Failure to provide this information will result in the Bidder being designated not responsible.
- 7.3.4 The County may conduct such investigations as the County deems necessary to establish the responsibility, qualifications, and financial ability of Bidders, proposed Subcontractors, Suppliers, individuals, or entities to perform the Work in accordance with the contract Documents. Any Bidder or sub-contractor that will have access to County facilities or property may be required to be screened to a level that may include but is not limited to fingerprinting and a statewide criminal background check. There may be fees associated with these procedures. These costs are the responsibility of the Bidder or sub-contractor.
- 7.3.5 If the Contract is to be awarded, the County will award the Contract to the responsible Bidder who's Bid, conforming with all the material terms and conditions of the Instructions to Bidders, is lowest, price and other factors considered. If detailed in the bid form, factors such as discounts, transportation costs, and life cycle costs may be used to determine which bidder, if any, is to offer the award.
- 7.4 Responses to this ITB not meeting the requirements specified herein will be considered non- responsive or not responsible, as applicable. In the best interest of the County, the

ITB 2024-21 CONCRETE FORMING AND POURING

Wakulla Board of County Commissioners' reserve the right to reject any and all responses or waive any minor irregularity or technicality in responses received. Respondents are cautioned to make no assumptions unless their response has been deemed responsive.

- 7.5 Whenever two or more Bids, which are equal with respect to price, quality, and service, are received for procurement of commodities or contractual services, from responsive and responsible Bidders the following steps will be taken to establish the award to the lowest Bidder. This method shall be used for all ties.

Step 1 - Local Business:

Between a Local Business and a Non-Local Business, a Contract award, or the first opportunity to negotiate, as applicable, shall be made to the Local Business.

Step 2 Drug Free Workplace:

At the conclusion of step 1 if all is equal, the Bidder with a Drug Free Workplace program shall be given preference, over a Bidder with no Drug Free Workplace program. The Contract award, or the first opportunity to negotiate, as applicable, shall be made to the Bidder with the Drug Free Workplace program. In order to have a drug free workplace program, a business shall comply with the requirements of § 287.087, F.S.

Step 3 Coin Flip:

At the conclusion of Step 1, and Step 2 if all is equal, the Contract award, or the first opportunity to negotiate, as applicable, shall be determined by the flip of a coin to determine final outcome.

- 7.5.1 When the tie has been broken pursuant to the above procedures, the Contract award, or the first opportunity to negotiate, as applicable, shall be made.
- 7.5.2 If an award or negotiation is unsuccessful with the initial Bidder, award or negotiations may commence with the next highest Bidder, utilizing the tiebreaker steps above to make the determination of next lowest Bidder if necessary.
- 7.6 When the County gives a Notice of Award to the Successful Bidder, it shall be accompanied by the required number of unsigned counterparts of the Contract with the other Contract Documents which are identified in the Contract as attached thereto. Within ten (10) days thereafter, Successful Bidder shall sign and deliver the required number of counterparts of the Contract and attached documents to the County. The County shall deliver one fully signed counterpart to Successful Bidder.

SECTION 8.0 INTENT TO AWARD AND CONTRACT EXECUTION

- 8.1 The County reserves the right to incorporate the successful Bid into the Contract. Failure of a Bidder to accept this obligation may result in the cancellation of the award. The

ITB 2024-21 CONCRETE FORMING AND POURING

Contract document and its exhibits are included as Appendix B, which is attached hereto and incorporated herein by reference.

- 8.2 The construction, interpretation, and performance of this ITB, and all transactions under it shall be governed by the laws of the State of Florida and Wakulla County. The Contract shall include all terms and conditions of this ITB, any addenda, response, and the County's contract issued as a result of this ITB.
- 8.3 The County reserves the right to make award(s) by individual item, group of items, all or none, or a combination thereof. The County reserves the right to reject any and all bids or to waive any minor irregularity or technicality in the bids received. Award will be made to the lowest responsible and responsive Bidder(s) within the category chosen for basis of award. The County reserves the right to award to one or multiple Bidders at its discretion.
- 8.4 The Successful Bidder will be required to assume responsibility for all services offered in the Bid. The County will consider the Successful Bidder to be the sole point of contact with regard to contractual matters, including payment on any or all charges.
- 8.5 After successful posting of the award for 72 hours, the Successful Bidder will be required to enter into the Contract with the County.

SCOPE OF SERVICES

This section contains the Scope of Service that will be required in any contract that may be executed because of this bid. By submitting a reply, each Bidder specifically acknowledges and agrees that in addition to all requirements noted elsewhere in this Bid, all requirements referencing “Contractor” contained within the Scope of Service below will be applicable to the Bidder should they be deemed the successful Bidder.

All services to be performed by, or under the direction of the successful Bidder under any resultant contract, shall meet or exceed the minimum requirement outlined in this Bid. Under no circumstances shall services meeting less than the minimum services requirements be permitted without the prior written approval of the County; otherwise, it shall be considered that services proposed will be performed in strict compliance with requirements and rules, regulations and governance contained in this Bid and successful Bidder shall be held responsible, therefore.

General Information.

- The successful bidder will be called upon to perform various types of concrete work, including but not limited to the following: concrete sidewalk construction, concrete curb construction, concrete slab and foundation construction, headwalls, mitered end sections, concrete caps and structural slab repairs. Site preparation work may also be required by the successful bidder.

BIDDERS MUST BID ON ALL ITEMS OR THE BID WILL BE REJECTED.

- The basis of award will be the total base bid. Estimates of quantities represent the minimum quality that will be required at any one particular job location, are approximate only and are not warranted. The County or their representative has the right to adjust them either up, down or completely eliminate an item in order to obtain a good, finished product. Material price increases indexed to FDOT standards will be allowed upon approval of Wakulla County.
- All construction shall conform to Florida Department of Transportation Construction Standards, where applicable on state maintained roads, including the latest revisions of the Standard Specifications for Road and Bridge Construction and Manual on Uniform Minimum Standards for Design, Construction and Maintenance for Streets and Highways.
- Contractor shall be responsible for locating utilities and coordinating with utility contractors as required for removal or relocation.
- Wakulla County will only pay for actual materials used on the projects.
- The culverts requiring mitered ends can vary greatly in quality, location, and condition, as well as amount of preparation work needed to place and pour forms. The successful bidder will be expected to maintain its bid unit price for all culvert mitered end projects, even if it is one culvert located in a remote area of Wakulla County, regardless of location or quantity in Wakulla County.
- Each culvert will require two (2) mitered ends.
- Bids shall be evaluated based on price, responsiveness and responsibility upon considering:
 - A. The total base bid

- B. Skill and business judgement
 - C. Experience with similar projects
 - D. Previous conduct under other contracts
 - E. Quality of previous work
 - F. Claims and litigation history over past five (5) years
- **Driveways, Walkways and Entrances:** Keep driveways, loading areas, and entrances serving premises clear and available to Owner, Owner's employees, and emergency vehicles at all times. Do not use these areas for parking or storage of materials.

Schedule deliveries to minimize use of driveways and entrances by construction operations.
